ITEM 1. Proposed Project

This project would cover LE needs in the Cal City OHV riding area for a 12-month period. The City's boundary for the riding area is 186 square miles. This grant would support the City's goal of managing and improving OHV opportunities. The project will include: personnel, equipment, supplies, and air support for the annual 300,000+ visitors in the OHV riding area. The City has a high volume of visitors(According to local permit registry) from the following counties: Los Angeles, Ventura, Riverside, Kern, Fresno, and Tulare.

ITEM 2. Project Coverage

The current riding area covers 186 square miles. There are 100's of miles of dirt roadways that have been designated OHV trails. The emergency units also cover an adjacent 160 square miles as first responders until the respective jurisdictional agency arrives.

ITEM 3. Describe the frequency of the patrols

The OHV trails and riding area are patrolled daily by LE units. The City has a resident LE Officer stationed at the main OHV area. The trails and OHV area encompass the majority of the City's land mass. There are additional LE Officers assigned during the weekends, holidays, and other peak times.

ITEM 4. Deployment of Personnel

There are 12 Full-Time and Part-Time LE Officers that share patrol and response duties in the OHV riding area. There are additional 6 Non-Sworn Volunteer LE personnel who assist LE Officers.

Law Enforcement - Page 1

1. Identify areas with high priority law enforcement needs because of public safety, cultural resources, and sensitive environmental habitats, including wilderness areas and areas of critical environmental concerns:

The OHV team responds to over 1,000 emergency and non-emergency OHV related calls each year. A large ratio are riding related injuries that frequently require coordination of an emergency Air Ambulance. LE also performs patrols on bordering tortoise preserve area for trespassing.

2. Describe how the proposed Project relates to OHV Recreation and will sustain OHV Recreation, motorized off-highway access to non-motorized recreation, or OHV Opportunities associated with the Project Area:

The City has passed special City Ordinances that permit OHV recreation within the City as long as it does not have a negative financial impact on the City. This Grant, along with a local permit fee that is collected, will cover OHV related expenses that are incurred.

3. Describe the Applicant's formal or informal cooperation with other law enforcement agencies:

The OHV Team maintains an open cooperation with LE agencies that have jurisdiction adjacent to the Cal City riding area. These agencies include: BLM, Kern County Sheriff's Dept, CHP, and San Bernardino Sheriff's Department. interaction with these agencies are common place during holiday weekends.

4. Does the Applicant recover a portion of the law enforcement costs directly associated with privately sponsored OHV events where sponsors have obtained a local permit? ☒ Yes ☐ No

(Please select Yes or No)

Explain

The City would charge a fee to the sponsor of an OHV event for LE related expenses, but such an event has not occurred in several years.

5. The Applicant agrees to implement a public education program that includes information on safety programs available in the area and how to report OHV violations? ☒ Yes ☐ No (Please select Yes or No)

6. Describe the Applicant's OHV law enforcement training program including how the training program educates personnel to address OHV safety and natural and cultural resource protection:

New OHV LE Officers must undergo an additional training program with experienced OHV LE Officers. The training includes emergency OHV operation, testing on OHV laws, and familiarization with the adjacent tortoise preserve boundaries and related laws concerning the preserve area.

7. Is the proposed project in accordance with local or federal plans and the OHMVR Division Strategic Plan? ☒ Yes ☐ No (Please select Yes or No)

8. LOCAL AGENCIES ONLY - Describe the Applicant's policies and/or agreements regarding enforcement on federal land:

Cal City has federal land within its city limits. The City has an agreement to assist BLM LE personnel. BLM and local Police will then determine if either federal or local statutes enforcement would be most appropriate.

9. COUNTIES ONLY - Describe how the OHV in-lieu of tax funds are being used and whether the use of these fees complements the Applicant's project:

Law Enforcement - Page 4

10. APPLICANTS WHO MANAGE OHV RECREATION FACILITIES – Describe how your organization is meeting its operation and maintenance needs:

The City uses both OHV Grant Funding to cover some of the basic supply costs with our facility. The remaining supply costs and personnel costs are paid for with new local permit fees. There is a residence LE Officer stationed at our OHV facility and performs the regular maintenance during the slower periods of the week.

11. The Applicant agrees to enforce the registration of OHVs and the other provision of Division 16.5 commencing with Section 38000 of the vehicle code and to enforce other applicable laws regarding the operation of OHVs? (Please select Yes or No) ☒ Yes ☐ No
